Education

Rajasthan Technical University, Kota

B.Tech, Mechanical Engineering (ME) | 8.56 CGPA

2019 - 2023

Certifications & Courses

JavaScript Essentials 1

- I successfully completed the JavaScript Essentials 1 course and achieved the student level credentials.I know the syntax of the core JavaScript; can work with variables, operators, flow control, and functions; know the basics of data types system; think algorithmically and can analyze problems using a programmatic conceptual apparatus; and can design, develop, and improve simple JavaScript programs.

January 2024 | Certificate Link

HTML

- This course has equipped me with a solid foundation in HTML, including understanding the structure of an HTML document, creating HTML elements, and building simple web pages. I am eager to leverage this knowledge in practical scenarios and look forward to opportunities where I can further enhance my skills.
